

GETTING STARTED WITH **EDGE** SUPPLY

Thank you for choosing Edge Supply as your maintenance supply source. We always want to make switching to Edge as easy for new customers as possible. Here's how:

Step 1

SEND US YOUR PART NUMBERS

Send us any favorites lists, custom catalogs, invoices, quotes - even part numbers scribbled on a piece of paper. We'll consolidate them all and begin crossing over the part numbers.

Step 2

WE'LL TAKE IT FROM THERE

That's all the work you need to do. Give us 72 hours and we will cross all part numbers to make ordering easy with new Edge part numbers.

Step 3

ACCESS YOUR ONLINE ACCOUNT

After we cross the numbers, we'll set you up with an online account complete with all your part numbers in favorites lists organized by category.
